

§ 4290.835

7 CFR Ch. XLII (1–1–05 Edition)

(3) *Prepayment penalties.* You may charge a reasonable prepayment penalty which must be agreed upon at the time of the Financing. If the Secretary determines that a prepayment is unreasonable, you must refund the entire penalty to the Portfolio Concern. A prepayment penalty equal to five percent of the outstanding balance during the first year of any Financing, declining by one percentage point per year through the fifth year, is considered the maximum reasonable amount.

§ 4290.835 Exceptions to minimum term of Financing.

You may make a Financing with a term of less than one year but only if such Financing is in contemplation of another Financing, with a term of one year or more, to the same Enterprise.

§ 4290.840 Maximum term of Financing.

The maximum term of any Debt Security must be no longer than 20 years.

§ 4290.845 Maximum rate of amortization on Loans and Debt Securities.

The principal of any Loan, or the loan portion of any Debt Security, with a term of one year or less, cannot be amortized faster than straight line. If the term is greater than one year, the principal cannot be amortized faster than straight line for the first year.

§ 4290.850 Restrictions on redemption of Equity Securities.

(a) *Restriction on redemption.* A Portfolio Concern cannot be required to redeem Equity Securities earlier than one year from the date of the first closing unless:

(2) You make a follow-on Financing, in which case the new securities may be redeemed in less than one year, but no earlier than the redemption date associated with your earliest Financing of the Portfolio Concern.

(b) *Redemption price.* The redemption price must be either:

(1) A fixed amount that is no higher than the price you paid for the securities; or

(2) An amount that cannot be fixed or determined before the time of the redemption. In this case, the redemption price must be based on:

(i) A reasonable formula that reflects the performance of the Portfolio Concern (such as one based on earnings or book value); or

(ii) The fair market value of the Portfolio Concern at the time of redemption, as determined by a professional appraisal performed under an agreement acceptable to both parties.

(c) *Method.* Any method for determining the redemption price must be agreed upon no later than the date of the first (or only) closing of the Financing.

(1) No more than one percent of the amount of Financing requested (or, if two or more RBICs participate in the Financing, their combined application fees are no more than one percent of the total Financing requested); and

(2) Agreed to in writing by the Financing applicant.

(c) *The Secretary's review of application fees.* For any fiscal year, if the number of application fees you collect is more than twice the number of Financings closed, the Secretary in its sole discretion may determine that you are engaged in activities not contemplated by the Act, in violation of § 4290.500.
